REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: it is deemed novel and unobvious over the prior art of record to so perform a method of manufacturing a dashboard sub-assembly, comprising components connected to electrical conductors and fixed to a rigid support comprising providing a flexible web equipped with conductors, mounting the components as claimed, stiffening the web by over-molding the web with a material intended to constitute the support, wherein some components are between the web and rear face of the support, rendering the components accessible as claimed wherein interface means are defined with at least some of the components and further comprising a step of modifying or deforming the support in a region of the components with the interface means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
